

## Immerse yourself in the heart of the "cosmopolitan and lively soul of Bordeaux"

Stroll through the Capucins, nicknamed the "belly of Bordeaux", where the market is in full swing and reflects the conviviality of Bordeaux through its flavours and scents.

Continue through the Sainte-Croix district, dominated by its abbey and theatre.

Finish at Saint-Michel, colorful with its Gothic spire, lively alleys and multicultural atmosphere.

A visit rich in stories, anecdotes and encounters, to discover an authentic Bordeaux, far from the classic paths.
